Have you come to a point in your life where you know you have a relationship with God? Yes No

When we die, our relationship with God will determine where we spend eternity. If you were to stand before God right now and He were to ask you, "Why should I let you into heaven?" what would you say?

Some people depend on their good works to establish their relationship with God (loving your neighbor, going to church, keeping the commandments, etc.). Some are depending on Christ plus their good works, and some are depending on Christ alone. Which of the following choices reflects your understanding of starting a relationship with God?

- I don't know
- I am depending on my good works alone.
- I am depending on Christ plus my good works.
- I am depending on Christ alone.
