let us sing of great things

March 4, 2010 Issue No. 81

Friends,

Last Sunday was a wonderful service of worship. Francey, thank you for teaching our children how to sing and how to worship.

As always, our instrumentalists played with sincerity, finesse and excellence.

This Sunday our full orchestra will play and we'll sing Shout To God for the call to worship.

We're putting the final touches on our May 15 program. I truly believe that it will be one of the great programs in the history of our church. Please mark those dates on your calendar.

### Next Field Trip

Our next field trip will be May 20-24 to New York City! If you're interested in going let us know this week.

### Men's Bible Study

Beginning March 23 and continuing for seven consecutive weeks, Don will lead a men's Bible study on Tuesday mornings from 6:30–7:30 a.m. at the church. If you're interested please contact Jean Allen.

### Music Ministry Sunday Morning Bible Study

This Sunday, March 7, Don will teach our music ministry Bible study (which has moved to the second hour). Each week, our conversation will center on the week's Read-through-the-new-testament readings. Everyone is invited to attend (members of the choir and orchestra, spouses, and guests). Chip Brunott, Phil Bruce, and Don McMinn will take turns leading the class.
