25 YEARS OF GRACE AND PROVISION

In October of 2023, we celebrated the 25<sup>th</sup> anniversary of Stonebriar Community Church. What a joy it was to remember how the Lord has led us all these years, and to consider how God's grace will lead us in the future.

Thank you for being a part of our church family! We look forward to many more years of upholding biblical truth and pursuing our mission to love God and love others, because God first loved us.

# FINANCIAL REPORT

## Direction and Control

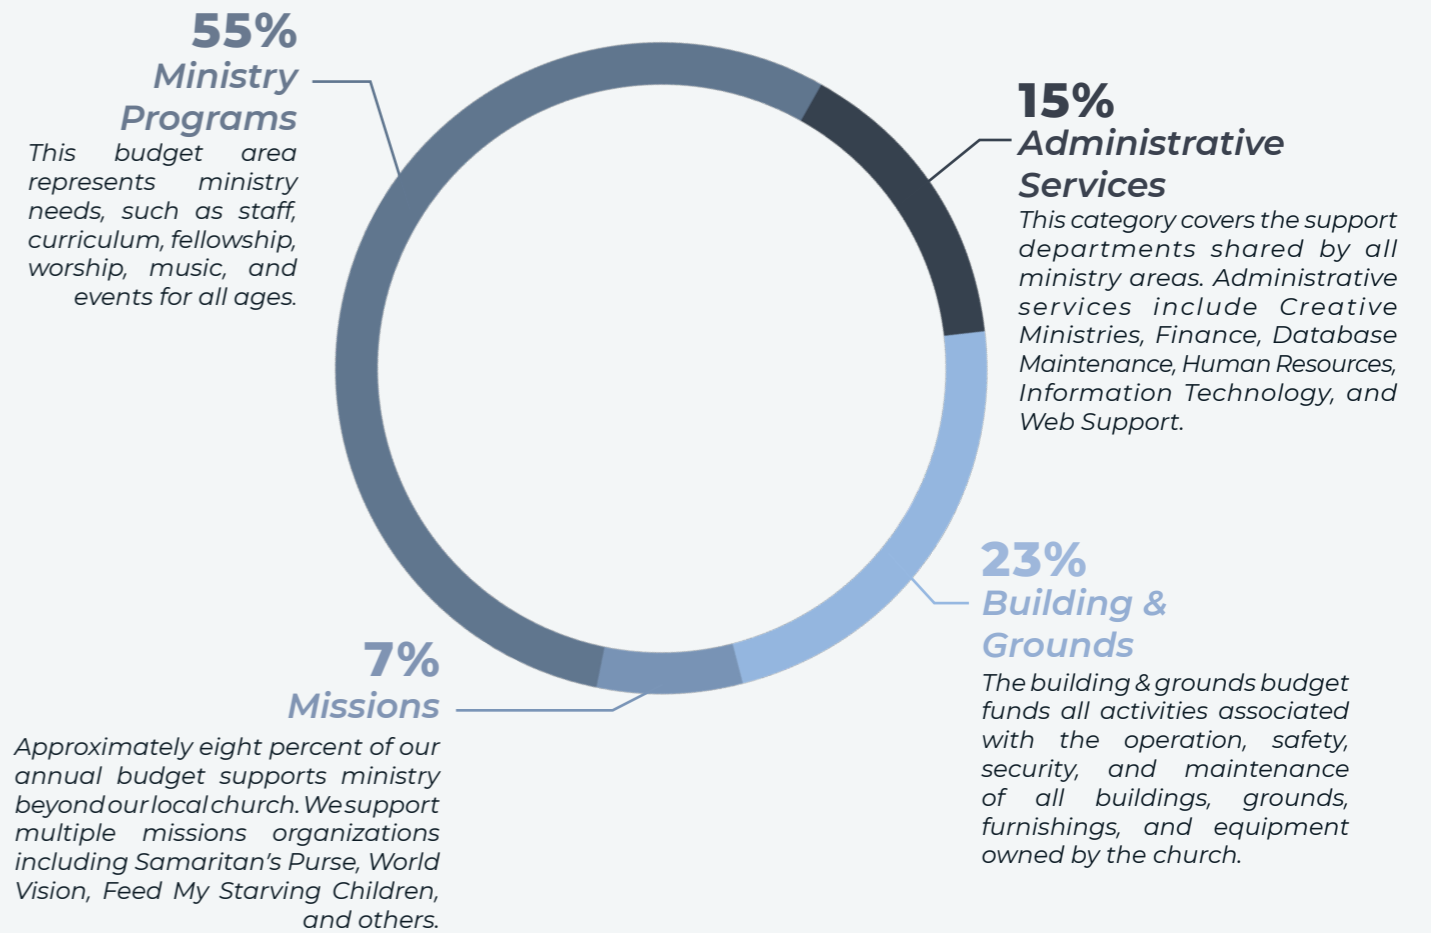

The Finance Department, with a staff of four, reports to Don McMinn, Senior Associate Pastor of Arts and Administration. Our Finance Committee, composed of Stonebriar members and one elder, meets quarterly to review financial reports and recommend financial direction and actions to the elders.

An annual audit is performed by an independent audit firm, PSK. Our auditors consistently affirm the integrity with which we handle our finances.

The annual budget is composed by the staff, submitted to the Finance Committee for review, and approved by the elders. Our fiscal year is July 1–June 30.

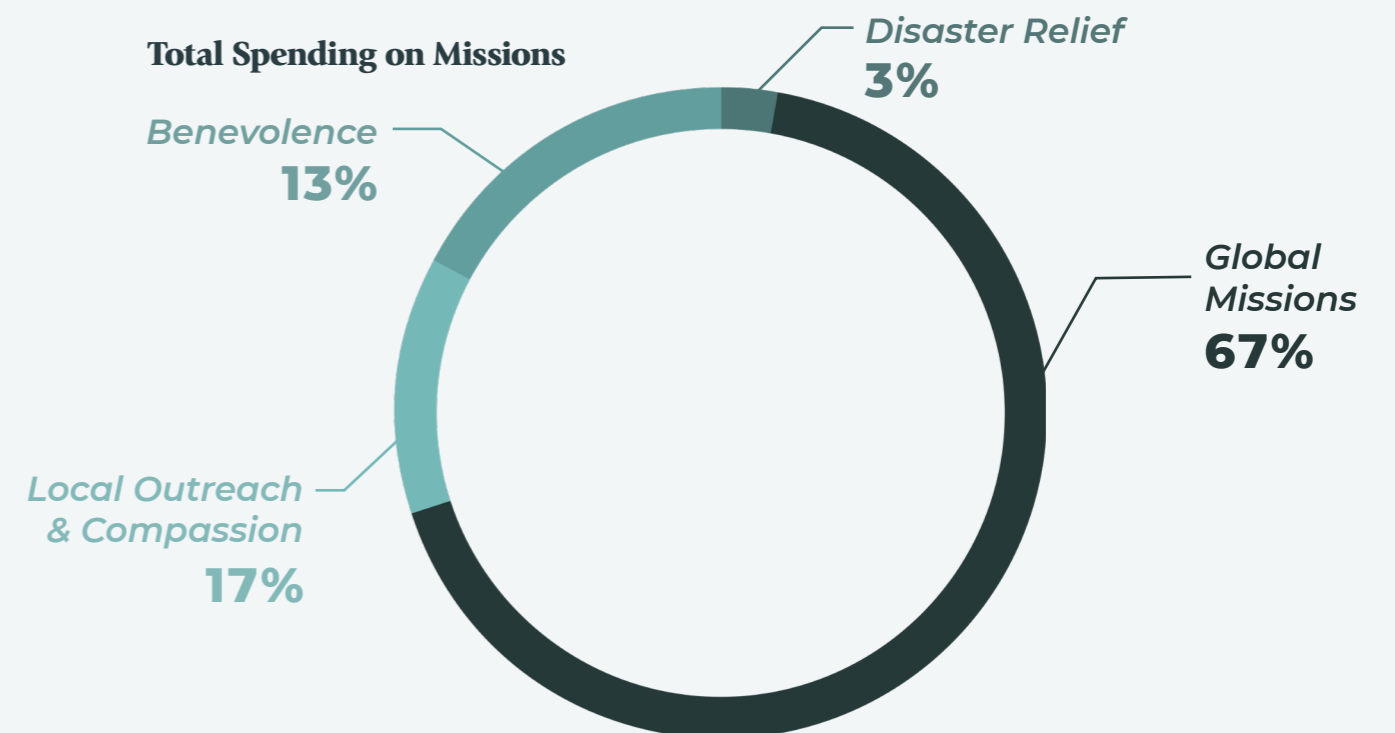

2023-2024 BUDGET  
**\$17,800,000**

## 24-Year Budget History

## Additional \$186,200 Donated for Benevolence

As part of caring for our community, our church offers a Benevolence Ministry to assist local families who are facing financial hardship. With special offerings received five or six times annually, our Benevolence Ministry collected \$186,200 outside our general fund budget in 2023, allowing us to assist more than 100 families with short-term and emergency needs. Beyond financial assistance, our Benevolence Ministry also provides budget coaching and care teams (led by staff from our Care Ministries) to help families acquire the skills needed to make a lasting difference in their lives.

## Ministry Growth

### Stonebriar Young Adults

In the spring of 2023, we welcomed Pastor Joey Dean to the Stonebriar staff to develop a new ministry for young adults, and we are overjoyed to share that the ministry is thriving. Over the past year, more than 100 college-age adults and young professionals have connected with Stonebriar Young Adults, and new visitors are coming to our programs every week. We look forward to seeing how the Lord will continue to guide this community and develop disciple-makers for His kingdom.

### Serving First Responders

Throughout the year on weekdays, we welcome the Frisco Police Department to host trainings on our church campus. It's an honor to support our community by giving first responders a fitting space to train for emergencies.
