FAMILY CONVERSATIONS

Families, use this to prompt conversations at the table, in the car, and anywhere else your family experiences life together.

- What do you need a lot of help with?
- What decision has God helped you to make?
- What keeps you from asking God for help?
- Why do you think God wants to help us? What does that say about who God is?
- What do you need help from God to do right now?

Who Needs Our Help?

In God's big story, David listened to God and leaned on Him to make a big decision. That decision led David to share God's love with Saul and remind him that his life was of great value to God. Many people who live around you may need to be reminded of the same thing! Make a list of five people or families you know who could use that encouragement today. Then do something tangible for the people you listed to show how much God values them. Write a letter. Make a cake. Send a sweet video. Invite them to dinner at your house. Build a relationship with another family or a new friend so they have another opportunity to bump into Jesus by knowing you!

WORSHIP RESPONSE

My Lighthouse

Have you ever seen a lighthouse? It's a tower near the shore of the ocean. It has a light that helps ships find their way and avoid crashing into rocks along the shore. God is like a lighthouse. He is always there, shining His light and helping us find our way. His light doesn't go out. He's always there, and He's safe. God helps us through anything. Play "My Lighthouse" from the [Kings and Prophets Worship@Home Spotify playlist](#). Have a dance party and sing the song at the top of your lungs. You could also sing this song in the car on your way to school, while making dinner together, or before you go to bed. Remember that God leads us and helps us.
